

**LAKE WALES CHARTER SCHOOLS
APPLICATION FOR NO CHILD LEFT BEHIND
PUBLIC SCHOOL CHOICE OR SUPPLEMENTAL EDUCATIONAL SERVICES (SES)
Free/Reduced**

Dear Parent or Guardian:

August 25, 2011

The Lake Wales Charter Schools is offering NCLB Choice Options to students in Title I schools identified as Schools In Need of Improvement (SINI) for not making Adequate Yearly Progress (APY) for two or more consecutive years. This status requires us to offer your son/daughter the option to (1) receive supplemental educational services (SES), or (2) not participate in the NCLB choice options or (3) transfer to a school not identified for improvement.

Supplemental Educational Services means that your child is eligible to receive free after-school tutoring from a private provider. Your child must also participate in the free/reduced lunch program in order to qualify for SES. Please read the attached question and answer sheet for additional information.

Please select your option by completing and returning this application to the school by September 7, 2011. You may mail, or deliver this letter back to your child's school, return it to the Provider Fair held at Lake Wales High School on September 1, or deliver it to the Lake Wales Charter Office at 151 E Central Avenue, Lake Wales. You will receive additional information once your application is processed. Please feel free to contact the school or our SES Coordinators, April Barnhardt at (863) 678-4211 or Chandra Johnson at (863) 638-1010, if you have questions.
